From Your Associational Missionary...

*I am really excited by the heightened awareness of our folk towards those that are less fortunate in our communities! More volunteers than ever are stepping up to the plate to “make a difference right where you are.” For example, this month (April 28) and the next (May 5) many of our churches will be involved in either “**Rampin’ Up!**” (an effort coordinated by NCBAM to break a world’s record for the number of wheelchair ramps built in one weekend) or **OIAM** (Operation Inasmuch) or both! (FYI—I have a list of needs here in the JBA office of ramps needing to be built and home repairs desperately needed by seniors, some of whom live in YOUR community! Please give us a call to see what needs are not being met.) Let’s go out and make a difference in Jesus’ name in our community!*

*The youth in this area are already getting into this spirit of serving. Temple Baptist in Selma is sponsoring an “**Impact Camp 2012**” April 5-7 during Easter break where hundreds of young people throughout the county will be going out on community service projects to help the needy. Call Will Murphy (810-3363) if you want to participate.*

*A local non-profit begun by local Baptists is called the “**JoCo Project.**” This four-day camp for youth (July 11-14) will be housed at Smithfield FBC and will send teens out around the county to do community service projects throughout our area.*

*In addition, the JBA has two summer missionaries coming to serve on our **M-Pact Team**. These two young ladies will be working a week with the youth of eight smaller membership churches to lead them in local community service opportunities. (If you want them to come to your church please let the JBA know.)*

As you go, remember to keep your association in your prayers as we keep God’s “Kingdom Work” in our sights!

*In Christ,
Kelton Hinton*

19 JBA WMU Annual Luncheon (Wilson’s Mills BC)

25-June 2 Moldova Mission Trip

W M U N o t e s

Our WMU focus for APRIL is on reaching across cultures. Our guest speaker for the JBA-WMU annual luncheon on May 19 is Jennifer Kennedy Dean. In her book *Life Unhindered! Five Keys to Walking in Freedom*, she speaks on reaching out to others. Jennifer quotes this scripture in Numbers 6:24-26. “*The Lord blesses you and keeps you; the Lord makes his face shine upon you and is gracious to you; the Lord turns his face toward you and gives you peace.*”

In my church in Four Oaks, our choir does a beautiful job of this prayer for our closing benediction. Each time they sing this I am reminded of the wonderful message it sends. The Lord does bless us every day and we should be so gracious to return his love to our friends by building a loving relationship. Building a relationship with someone of another culture is a very important part of witnessing. We must first pray for them every day. Try sharing some time with them, you are building confidence.

I ask the question, “Will the world ever be at peace?” Ms. Dean further states that “His presence in our lives will help take us out into the world to serve as ambassadors. That His presence is the anchor that grounds us and the energy that moves up and the power that enables us.”

I do hope that you will make every effort to attend the luncheon and hear Ms. Dean’s inspirational message as she outlines the steps to “*Walking in Freedom.*” As you go about your daily lives, remember to “be at peace!”

Laura Rogers, Director JBA-WMU

A Statewide Operation Inasmuch is being planned for Saturday, April 28 and May 5. Make your plans to be a part! Also, there will be a special emphasis called **"Rampin' up!"** set for Apr 28, 2012. The NC Baptist goal is to set a world's record for the number of wheelchair ramps built in one day!

We have a number of projects geared towards Senior adults at the JBA office. Give us a call!
